Immunization

All international students will be required to submit immunization records from their home country. Please note that they do not have to be translated. More information regarding new immunization schedule please visit [Toronto Public Health](#) and the [Ontario Ministry of Health Long Term Care](#)

International Student Health & Wellness Plan

The [International Student Insurance Plan](#) provided by Ingle International is specially designed for international students who are attending Toronto District School Board schools. The insurance plan is required for all international students. The cost of the program is built into the tuition fee payment.

It has a lot of helpful information. You can:

- ✓ Download a summary of benefits in your language
- ✓ Download your policy wording
- ✓ Learn what to do in case of emergency
- ✓ Submit your claim online
- ✓ Find a direct-pay medical facility and receive medical care at **no cost to you**

If you require medical treatment or hospitalization, you **MUST** contact the 24-hour claims and emergency assistance hotline at the phone number listed on your wallet card.

New Students students will be sent their insurance policies and details through email attachments during their registration and orientation period of each semester. For continuing students wishing to earn additional credits and extend their health insurance coverage, please contact us at international@tdsb.on.ca
