

Motion: Budget Request - Allocation of \$500 per Ward for Representative Outreach

Whereas, fostering community engagement is vital for effective representation; and Whereas, allocating resources for outreach activities aids in building rapport with constituents; therefore, be it Resolved, that a budget of \$500 per ward be allocated for Representative Outreach activities.

Description of fund utilization:

Meet and Greet Sessions with School Councils:

Elementary School Council:

Refreshments for one session: \$100

Middle School Council:

Refreshments for one session: 100

Secondary School Council:

Refreshments for one session: \$100

Joint Event - Bringing Together All School Councils: \$200

This allocation plan aims to distribute the \$500 budget per ward strategically across refreshments for individual school council meet-ups and a joint event that gathers all school councils. The funds will cover the expenses of snacks, beverages, and light refreshments for these engagement sessions, encouraging participation and fostering a sense of community among the SC in the Ward and also an opportunity for PIAC Representative to get to know all their SC Members in their Ward.
