

TORONTO DISTRICT SCHOOL BOARD

Honours Indigenous Education for ALL

In November we recognize **Indigenous Education Month** by centering Indigenous perspectives, histories and contemporary realities at the very heart of learning. Through the Urban Indigenous Education Centre, students, staff and community members recognize important opportunities throughout the year to deepen knowledge and build stronger relationships between non-Indigenous and Indigenous Peoples.

#IndigenousEducationMonth

In June we celebrate **National Indigenous Peoples History Month** by recognizing the rights, histories and extraordinary achievements of Indigenous Peoples in the country we call Canada today. June 21st is National Indigenous Peoples Day, which is held during the summer solstice. We join with people across the country to acknowledge the unique heritage, diverse cultures and accomplishments of First Nations, Inuit and Métis Peoples for #NationalIndigenousPeoplesDay.
